Our Junior Audubon Club

Meets monthly, usually, but is on hold. (If you're interested in a leadership position with kids, and enjoy sharing your love of birds and nature, please contact us. This delightful program has been well received.)

The Holland Audubon Club and its members celebrate the abundant birds and wildlife in West Michigan and around the world. We are an organization that promotes the awareness, understanding and enjoyment of the natural environment.

Our goal is to educate our community about the natural environment with emphasis on birds and their habitat. As a chapter of the Michigan Audubon Society, we are linked with over 30 Audubon Clubs statewide.

The Holland Audubon Club welcomes all who are interested in birds and nature. We are not just an organization of expert birders, although we do have several. Our members include enthusiastic novices as well as knowledgeable veteran birders.

Please join us for one of our entertaining speakers at an upcoming monthly meeting. Most meetings are held at 7:00 PM on the 2nd Tuesday of the month, September through May at Hope Church or other venues. Meetings and programs are free to the public.

Please visit: hollandaudubon.org for more info; hollandaudubon@gmail.com or call Mila Walters at 616-403-1707, or contact us by mail at:
